

## SONUS PRODUCT BULLETIN

**Subject:** dotHill RAID EOL & StorageTek Drive/Price Change  
**Date:** November 19, 2008  
**Relevant to:** Worldwide Sales Organization, SGS, Order Admin, Manufacturing, Finance

Last year dotHill announced the end of life of their SANNet II RAID systems. Information was communicated in a 12/15/08 product bulletin. The dotHill product codes listed below are no longer orderable, i.e. no longer in Webcom. These systems will be supported by dotHill until June 30, 2012 and Sonus will support them until December 15, 2014.

### dotHill EOL product codes no longer orderable

RAID-HA	CORDSET-RAID-AC
RAID-HA-AC	CORDSET-RAID-DC
RAID-FC	RAID-CABLE-240
RAID-FC-AC	RAID-CABLE-440

The StorageTek replacement products have been available since Q1-09. However, StorageTek recently EOLd the 146 GB drives and replaced them with 300 GB drives. Validation of the 300 GB drive systems will be completed in December. As of this morning, Webcom shows the 300 GB drive systems and the revised prices (increased commensurate with the cost changes); the product codes were not changed.
