

## **End Of Life (EOL) Products Announcement**

May 13, 2008

## END OF LIFE PRODUCTS – ANNOUNCEMENT

Sonus Networks announces the last order dates and end-of-life dates for the Sun Netra N240 and N440 server based products. These products will be supported for a defined period of time after EOL of the product. Sonus is in the process of qualifying replacement platforms and will provide details of the replacement platforms once the platforms are publically announced by the selected Vendor.

| <b>Milestone</b>                          | <b>Definition</b>  |
|---|--|
| <b>EOL – End Of Life Notification.</b>    | Date that the Product Change Notice (PCN) indicating EOL is issued. This PCN indicates scheduled dates for the remaining EOL milestones and provides additional information on implications of EOL to customers.                                 |
| <b>LOD – Last Order Date</b>              | Last date that an order may be placed for the product.   |
| <b>MD – Manufacturing Discontinuation</b> | Last date Sonus Manufacturing will ship new product to customers. After this date, Sonus Manufacturing no longer builds, packages, or maintains stocking levels of the product. Customer Support will maintain adequate stock to meet RMA needs. |
| <b>EOS - End of Support</b>               | Date that Sonus Customer Service discontinues support for the product. Software releases are not required to support hardware for which the EOS date has passed. A PCN shall be issued in advance of this date confirming impending EOS.         |
