

PRODUCT AND SERVICES BULLETIN

End of Product Sale Announcement

ISSUED: June 26, 2019

SBC 1000 SBC 2000 Older Generation ASM SBA End of Product Sale (EOPS) Notification

Ribbon Communications is announcing the End of Product Sale (EOPS) for SBC 1000 & SBC 2000 SKUs with [older generation ASMs](#) (Application Solutions Modules). This announcement will effectively remove the impacted SKUs from the Ribbon Communications catalog and will no longer be available for purchase.

Ribbon Communications recommends customers planning to purchase SKUs with the older generation ASMs to consider the purchase of SKUs with [current generation ASMs](#). The current generation ASMs offer substantial benefits over older generation ASMs; please refer to the “**General Availability of Sonus Cloud Link and SBC 1000 / 2000 Release 6.1**” product announcement, dated September 26 2016 for more information (document available from [Ribbon support portal](#)).

Table 1 lists the affected SKUs (with older ASMs) impacted by this announcement, as well as alternative SKUs (current generation ASMs) customers should consider purchasing. Table 2 presents the relevant milestone dates. For more information, please contact your authorized Ribbon Communications sales representative.

Table 1 SKUs with Older Generation ASMs to be Removed from the Market, Along with Corresponding Replacement SKUs

SKU WITH OLDER GENERATION ASM TO BE WITHDRAWN FROM AVAILABILITY	DESCRIPTION	REPLACEMENT SKU WITH CURRENT GENERATION ASM	DESCRIPTION
